pressure on the fillets just as they start to fry, to prevent their skin from puckering up. Fry the fish slowly to crisp up the skin.

Flip the fish over for 10 to 15 seconds and remove.

Into that fishy pan, throw the samphire, pigface and pippis.

Add the lemon juice and steam the pippis open. Throw in the tomatoes and stir.

Serve the tender potatoes with the fish, pippis, sea herbs and pan juices. Yum – so fresh and delicious.
