Bring two cups of water to the boil. Rinse your quinoa, add to boiling water and let cook for 10 to 15 minutes until tender.

Rinse under cold water and set aside.

In a mini food processor, add in one cup of thawed frozen peas, the avocado, garlic, mint, salt, pepper and one tablespoon of the olive oil. Blitz until smooth.

Blanch the sugar snaps and set aside.

Add the lemon zest, a pinch of salt and the sugar snaps into the quinoa and toss together.

To serve, spread the minted pea mousse on a plate and top with the quinoa mix and then the pea sprout tops.

In a small frying pan gently fry the sunflower seeds and pepitas until toasted and then place on top of the salad.
