- 1 sheet butter puff pastry or gluten-free puff pastry (optional)

Method

Preheat oven to 230°C (210°C fan-forced), or according to your puff pastry packet instructions.

using a stick blender process to make a smooth puree. Set aside.

Heat oil in an oven-proof skillet over medium-high heat and add cauliflower. Cook for two minutes on each side or until lightly golden. Add Brussels sprouts and stir fry for a minute.

Remove from heat and top with broccolini. Pour over the celeriac puree and spread evenly around the vegetables. Top with a thawed puff pastry sheet, if using, and score the top gently with a sharp knife. Sprinkle with sesame seeds.

Bake for 15 minutes or until the pastry is puffed and golden (10 minutes without the pastry). Serve immediately.
