Zucchini, tomato and capsicum pasta

METHOD

Boil the pasta in plenty of salted water till soft but still has a crunchy bite (al dente). Strain the water off and rinse the pasta for several seconds under cold water.

Heat butter in a large pan or pot (large enough to hold all the ingredients).

Add anchovies, garlic, carrots and capsicum, cook for one to two minutes until the garlic is golden brown.

Add zucchini, tomatoes and tomato puree, chopped olives, smoked paprika and pasta.

Constantly stirring, cook for two to three minutes until the pasta starts to absorb the sauce and becomes thick and creamy.

Chop the basil roughly and toss through, season with salt and pepper, transfer to a serving dish and sprinkle the olive oil and Parmesan over the pasta.
